FROM: Michael T. Zinsmeister, Director of Admission & Financial Aid

Need-Based Financial Assistance for 2016-2017

The Parent Financial Statement (PFS) should ONLY be completed by those families planning to enroll students at Seton Hall Prep for the 2016-2017 academic year. You must begin this process now.

All financial aid applicants must complete a PFS online using Seton Hall Prep’s school code of **7265**.

Please visit <http://sssbynais.org/parents> and click on the “COMPLETE YOUR PFS” button in the upper-right portion of the screen – then click on the “CREATE AN ACCOUNT” button if you did not file a PFS last year. If you did apply for need-based financial aid last year through SSS, simply login to PFS Online as a returning family, using the email address and password you have already established.

Welcome to the Parents' Financial Statement (PFS) Online

Applying for financial aid has never been easier. It's one form for one fee, any number of siblings, and any number of schools.

REVIEW
Make changes or check the status of your Financial Aid Application.

We will mail notifications with financial aid decisions to families in early May. The processing of a PFS form may take several weeks; therefore, your completed PFS MUST be submitted online by Friday, April 15, 2016. Any PFS forms submitted or received AFTER **April 15, 2016**, will be considered late and will be added to the financial aid “wait-list”.

Please note that, in order for your 2016-2017 PFS to be considered, a completed US Individual Income Tax Return form (1040) for 2015 must be submitted – no exceptions will be made.

Please take a moment to review SHP's policies regarding Scholarship and Need-Based Financial Aid

- If a student received financial aid this year, he still must complete this process to renew aid for next year. Need-based financial aid is NOT automatically renewed each year.
- If a student is receiving a Headmaster's or any other academic scholarship, he will **STILL** receive the promised scholarship as long as he maintains a 3.75 GPA on his final report card in June. You do NOT need to complete a PFS in order to be eligible for any *academic scholarship*.
- To qualify for continuing need-based financial assistance, a student must have a minimum 2.50 GPA on his final report card in June. Subsequent summer school grades will NOT be considered or applied.
- In order to be eligible for need-based financial assistance, a student's current-year tuition must be paid-in-full by April 15, 2016. Any financial aid applicant whose current-year tuition has not been paid in full by April 15, 2016 will be placed on a financial aid wait list. Any student placed on said wait list will not be guaranteed financial assistance for the 2016-2017 academic year. We strive to do all we can to distribute financial assistance equitably and fairly to assist those families with the greatest demonstrable financial need.

Please direct any and all questions regarding the PFS form and/or filing process directly to the PFS Helpline at (800)344-8328 or at sss@nais.org.
